Request for signature on file:

Below is a request to put your signature on file permanently in our office. This means that by signing below, you will not have to sign the release of medical information or release of payment directly to the doctor each time you come into our office. By doing this you will be helping us process your insurance claims faster and efficiently. If you have any further questions about this, please ask our receptionist.

- I authorize the use of this form on all my insurance submissions
- I authorize the release of information to all my insurance companies
- I understand that I am responsible for my bill
- I understand that I have an agreement with my insurance company and that it is my duty, and not the physicians, to resolve issues of non-payment. I also understand that my insurance company may not cover medications, medical services, or medical goods that may be prescribed by my doctor and that it my responsibility to check coverage. Once again, issues of payment are based on an agreement between myself and my insurance company, not the doctor.
- I authorize to my doctor to submit a claim for services to my insurance company
- I authorize payment directly to my doctor
- I permit a copy of this authorization to be used in place of the original
- I authorize the sending of lab specimens to the laboratory

Office Policies

- When appointments are canceled within 24 hours of the appointment time, patients will incur a $50.00 no show fee.
- Refills may take up to 72 hours' notice to be processed correctly. Also, if you have not been in to see the doctor in over 30 days, an appointment may be required.
- Patients are required to have referrals completed before seeing the doctor. For questions about whether a referral is necessary, please contact your insurance provider.
- Patients with Medicare: Routine Foot Care may or may not be covered by Medicare. A waiver must be signed before seeing the doctor. If Routine Foot Care is not covered, payment is due at the time of service.
- Services or products which are not covered by your insurance company are to be paid for at the time of service / dispensing of the item.
- The doctor reserves the right to bill patients directly if His / Her insurance company has not paid the doctor in a timely fashion (30 days). Patients are expected to call their insurance company to resolve issues of non-payment before the service or item will be re-billed.
